1. Settings tab

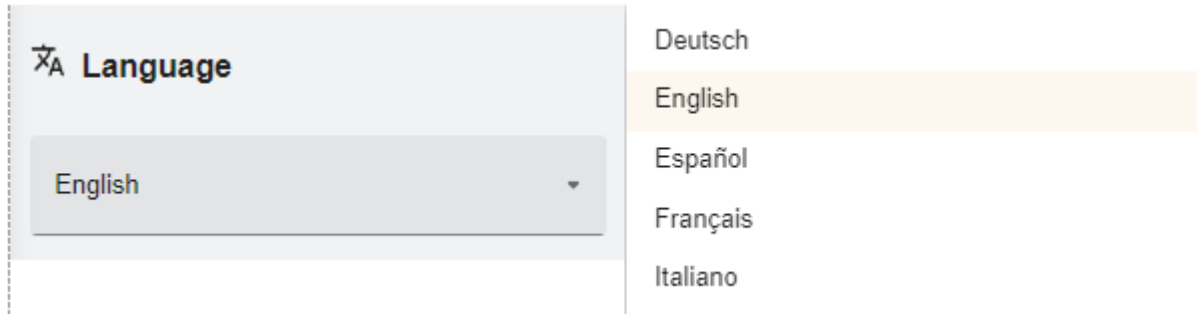

As said be sure to have a "Tenant Admin" right to be able to modify the settings on the My rConnect platform.

You have to select the "Settings" Tab and then select the "Appearance" tab.

2. Personal

On the first tab "Personal", you can change:

Language change possibility

Possibility to change the units; metric or Inches

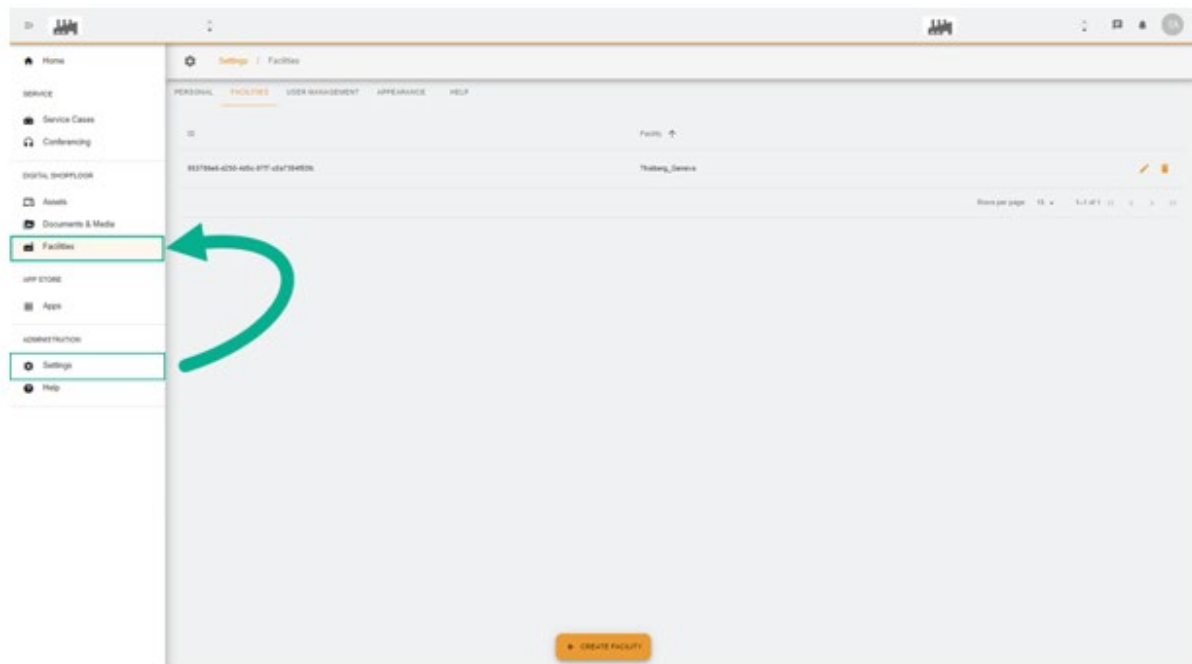

Version number of the My rConnect platform

Consult privacy policy.

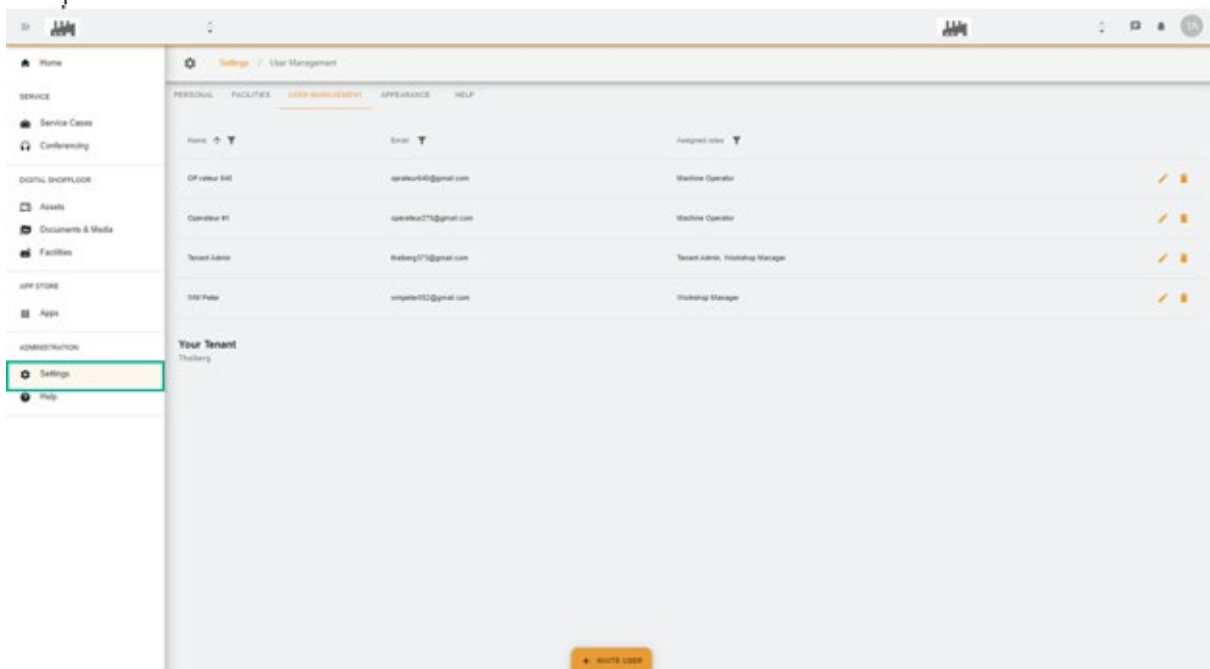

3. Facilities

There is a shortcut to the facilities.

4. User Management

There is a shortcut to access the "User Management" and thus the possibility to modify or update is also possible.

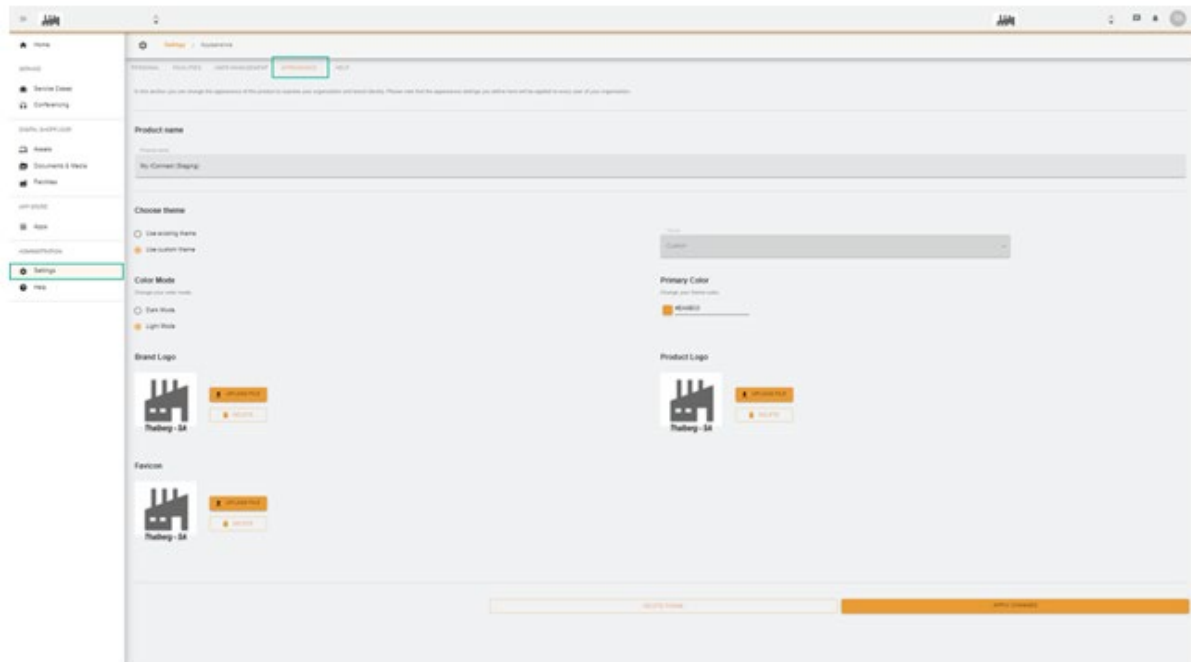

5. Appearance

It is possible to change the appearance of the My rConnect platform. Simply change:

- The theme colour
- The colour of the mode
- Assign a logo

And at the end click on the **"Apply Change"** button.

6. Help

It is possible to access the on-board help of the My rConnect platform.
